

KD & ASSOCIATES

SEARCH CONSULTANTS FOR THE FIRE PROTECTION INDUSTRY

We have multiple positions, both in the US and abroad, for Fire Protection Engineers. If you are considering a change of careers, please send your resume or give us a call to discuss these opportunities. We have openings for entry to senior level engineers, including management. All include very competitive salary, bonus and benefits.

There is never a charge to candidates for our services.

Please contact us for full details.
