Job Title: Fire Protection Engineer  
Location: Austin, Texas

With roots extending back to a two-person partnership formed in 1898 in Austin, Texas, Page Southerland Page, Inc. is one of the most prolific and enduring architectural and engineering practices. A full-service design organization with offices in Houston, Austin, Dallas, Denver and Washington DC, along with international affiliate offices, Page provides architecture, interiors, consulting and engineering services throughout the United States and around the world. The firm's diverse, international portfolio includes projects in the healthcare, academic, government and science and technology sectors, as well as civic, corporate and urban housing projects. With a staff of over 400 architects, engineers, designers, strategic analysts, planners and technical specialists, Page has the resources and professional affiliations to responsibly handle projects of all scales and schedules.

Job Description
Page is seeking a licensed fire protection engineer to join the Austin office. Responsibilities will include:

• Designing and reviewing fire alarm, suppression, and life safety plans
• Collaborating with a variety of engineering and architectural disciplines
• Conducting fire, smoke, and egress modeling
• Communicating with clients and writing technical reports

Required Skills and Qualifications

• P.E. in Fire Protection Engineering by exam
• Minimum five years experience in the field of fire protection engineering
• Experience in suppression system, life safety, and fire alarm design
• Experience with AutoCAD, BIM/REVIT, and other fire protection related computational programs
• Project experience in multiple markets, including healthcare, commercial and residential
• Proven track record of communication and interpersonal skills
• Established leadership ability
• Ability to obtain security clearance as required

Page offers a competitive benefit package and salary compensation. Capability to travel is preferred. Please send your resumé and salary requirement to aus_resumes@pagethink.com.
